User Guide

For Clearance Agencies

Front End (FIORI)

Clearance Process

Clearance Verifier

DES

VERSION: 1.0

INTRODUCTION

This user guide acts as a reference for **Clearance Verifier (Front End User)** to manage **Clearance Process**. All company and individual names used in this user guide have been created for the purpose of guiding users on the use of the system.

Where possible; user guide developers have attempted to avoid using actual Companies and Individuals; any similarities are coincidental.

Changes and updates to the system may lead to updates to the user guide from time to time.

Should you have any questions or require additional assistance with the user guide materials, please contact the **SSM Help Desk**.

GLOSSARY

The following acronyms will be used frequently:

Term	Meaning
SSM	Sistem Sumber Manusia
SAP GUI	SAP Graphical User Interface/Back End
FIORI	Front End/Web Portal
ESS	Employee Self Service
MSS	Manager Self Service
RR	Retirement & Resignation
PG	Pension & Gratuity

FURTHER ASSISTANCE

Should you have any questions or require additional assistance with the user guide materials, please contact **SSM Help Desk** at **+673 2382227** or e-mail at **ssm.helpdesk@dynamiktechnologies.com.bn**.

Process Overview

Verify/Rework/Reject Clearance Request

VERIFY / REWORK / REJECT CLEARANCE REQUEST	Front End User
	Clearance Verifier

Log into SAP FIORI (Front End) and proceed with the following steps.

- 1. Click on **RPG Clearance Verifier DES**.
- 2. Click on **Clearance Verifier DES** tile.

Note: PS-3 Clearance Page (DES) will be displayed.

3. Select an application with status of **PENDING VERIFIED**.

The screenshot displays the JPA Clearance Page (DES) interface. On the left, the 'Application List' sidebar shows three applications with status 'PENDING VERIFIED'. The main area, titled 'PS-3 Clearance Page (DES)', shows the details of the selected application. The 'Employee Details' section includes fields for Name, Position, Personnel Number, Employee Group, Personnel Area, Subarea, Joined Date, Date of Birth, Age, and Length of Service. The 'Contact Details' section includes an 'Address Details' field. Red boxes and numbers 3 highlight the Application List and the PS-3 Clearance Page (DES) details.

4. In the first tab, user may **review all details in Section I: Employee Details, Section II: Contact Details, and including Section III: Prime Minister’s Office – Energy Department,** filled in previously by Clearance Checker.

The screenshot displays the JPA Clearance Page (DES) interface. On the left, the 'Application List' sidebar shows three applications with status 'PENDING VERIFIED'. The main area, titled 'PS-3 Clearance Page (DES)', shows the details of the selected application. The 'Employee Details' section includes fields for Name, Position, Personnel Number, Employee Group, Personnel Area, Subarea, Joined Date, Date of Birth, Age, and Length of Service. The 'Contact Details' section includes an 'Address Details' field. Red boxes and numbers 4 highlight the PS-3 Clearance Page (DES) details.

5. In the second tab, user may review the details of changes in status.
