

# SISTEM SUMBER MANUSIA

## **User Guide**

## **Android Browser Settings**

## Location, Camera & History

VERSION: 1.0

SSM\_UG\_TM\_Browser Settings\_Android\_v0.1

#### INTRODUCTION

This user guide acts as a reference for **Time Administrator** (back-end user) and front-end user to manage Time Management. All Company and Individual names used in this user guide have been created for guidance on using SSM.

Where possible; user guide developers have attempted to avoid using actual Companies and Individuals; any similarities are coincidental.

Changes and updates to the system may lead to updates to the user guide from time to time.

Should you have any questions or require additional assistance with the user guide materials, please contact the **SSM Help Desk**.

## GLOSSARY

The following acronyms will be used frequently:
